# Why Upgrade to Headless WordPress?

Traditional WordPress is great, but headless WordPress offers:

3 Mar 2025 1 min read

Traditional WordPress is great, but **headless WordPress (https://codetrappers.com/development-for-headless-wordpress/)** offers:

**Blazing Fast Load Times** – Front-end powered by React, Vue, or Next.js. **Better Security** – API-driven structure reduces attack risks. **Multi-Platform Content Delivery** – Serve content to websites, apps, IoT, and more. **Custom UI & Design Freedom** – Build without WordPress theme limitations.
